Dear Sirs:

A response to the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) dated June 1, 2005 was originally filed on July 28, 2005 in connection with the above-identified application.

However, it has come to the Applicants' attention that the transmittal letter filed on July 28, 2005 (copy enclosed) referenced an incorrect serial number. A clerk at the PCT Help Desk confirmed that the Declaration/Power of Attorney form filed on July 28, 2005 has been entered under the incorrect serial number.

The Applicants respectfully request that the present petition be treated as a response to the Notification of Missing Requirements Under 35 U.S.C. 371 issued on June 1, 2005 for the above-identified application (USSN 10/519,295). For this purpose, we enclose the following items:

1. a copy of the response as filed on July 28, 2005, including a copy of the Notification of Missing Requirements and a copy of the Declaration/Power signed by the inventor identifying the application by PCT international application number, PCT international filing date, and U.S. serial number; and
2. Check in the amount of \$400.00 to cover the official petition fee.

AUTHORIZATION TO CHARGE ADDITIONAL FEES

[X] The Commissioner is hereby authorized to charge the following additional fees which may be required or credit any overpayment to Account No. 12-0415.
